Assembly Value

This half term our assembly value is Responsibility.

We will be exploring these values through Bible stories and contemporary stories and most importantly talking with the children about how they can live out this value in their daily life around school.

For more information and an activity sheet of things to do with your child on this value, please see our website pages.

London!

It was a real pleasure to take Year 6 (and St Maddern's Year 6) to London before half term.

We had a packed itinerary and the children showed exemplary behaviour at all times. My thanks to all the staff involved and we hope that your child enjoyed the trip. We will be setting a date to share photos and outcomes from the trip with you and also Year 5 children, watch out for your London letter later this term.

SONGFEST 2019

Well done to all the children who took part in Songfest 2019 at St John's Hall on Tuesday 26th February. It was a splendid evening full of joyful songs and showcasing the singing talents of West Penwith Schools.

St Mary's school were the only school to learn the harmony parts and sung these strongly. We also had a high number of children invited to join County Choirs. My thanks to Mrs Hall for rehearsing the children, Mrs George for accompanying the children on the day and also Cornwall Music Hub for transforming St John's Hall into a magical setting for the performance.

Internet Safety

As you know there have been internet scares this week. **Our message to children is always:** Tell an adult if there is anything upsetting or worrying when you are on the internet.

Our message to parents and carers is:

Make sure you have the correct parental controls. Make sure your child is not accessing sites or apps that are NOT age appropriate.

Be vigilant about what your child is accessing and supervise their time on the internet.

Let's together ensure that children are kept safe.

If you have any concerns then please do contact us.
