

Please make sure your child does not bring any food **containing nuts and eggs (hard boiled or scotch)** into school. We have 2 children with serious nut and egg allergies. Thank you for your co-operation in this matter.

St Mary's C of E School News

Friday 17th May

Walk to School Week

Next week is Walk to School week which we will be taking part in.

Please try to leave your car at home this week and enjoy walking to school. Let's get active, reduce parking and pollution around the school. Could your child's class have the most children walking to school over the week?

Carnyorth Residential Visit

Our Year 4 children have spent 3 days at Carnyorth Residential Centre. They have built coracle boats and sailed them, walked the coast path and learnt how to climb on a climbing wall and also taken part in archery. Every child has taken part in a new activity and all the children have shown great perseverance and resilience. Well done, year 4!

Dates for Your Diary

Wall Music Festival

Our woodwind players took part in this yesterday and were successful in achieving two first places, a second place and highly commended. Well done to these children for performing so well. It is good to see more and more children achieving in this way, through opportunities offered through the school.

Year 6 SATS

Miss Knuckey and I are very proud of the children's attitude to the tests this week. They showed good qualities of perseverance. A great St Mary's quality!
