

# Advice on the coronavirus in places of education.

What we need to do:

- All staff and visitors should wash hands after entering the main school building
- All children to wash hands after entering the school building, after playtimes and before lunchtimes.
- Parents and carers please consider if you really need to come into school. You can contact us via facebook, phone or email [secretary@st-marys-ce-pz.cornwall.sch.uk](mailto:secretary@st-marys-ce-pz.cornwall.sch.uk)

Thank you in advance for understanding
