Space Invaders

Our new Space based enquiry started with a big WOW on Tuesday morning when the children were greeted by an unexplained object in the playground as they arrived. As the smoke cleared it became obvious that there was lots we needed to find out in order to be sure where it came from.

An 'expert' from University arrived mid morning to take some samples away for testing.

Please take a look at the photographs on our school website - we will update it with more information as soon as we know anything. In the meantime we need everyone to find out as much as they can about Asteroids, Meteorites and Space in general.

Thank you Imogen!</p> <p>Year 4: Anastasia — enters Sapphire class every morning with a cheery smile. She has been sharing her amazing ideas and questions after the unidentified object landed in our play-ground. She used lovely adjectives to describe what she saw and how she felt.
