### **Infectious Illnesses**

Following advice from NHS and Public Health England: When there are confirmed cases of particular infectious illnesses, we usually need to inform parents **only if there is more than one case confirmed in school**, dependant on the infection type. In such cases we would follow advice and inform parents. If you do suspect your child has an infectious illness, please get this confirmed by your doctor and will take appropriate action. If your child has an infectious illness, please make sure that you inform school and keep your child off school during the incubation period. We need to ensure that we are following this correctly as we don't want any 'vulnerable' groups of people – children and adults put at risk.  
 Many thanks for your cooperation.

### **Secondary Applications**

If you have not submitted your application for secondary school, please remember to do so by the deadline of the 31<sup>st</sup> October 2018, to ensure you get a place.  
 Please do not hesitate to contact Karen on Reception if you need assistance with this procedure.

### **Reverse Christmas Advent Calendar**

This year we will be taking part in the Reverse Advent Calendar.  
 This is where we each bring in one thing per family to fill the box and give it to Plymouth Foodbank.  
 So instead of opening the door to a chocolate or picture, we do the giving.
