### 3. Barriers to future attainment (for pupils eligible for PP, including high ability)

#### In-school barriers (issues to be addressed in school, such as poor oral language skills)

<b>A.</b>	Poor language skills especially on entry in EY provision; these limit the pupils ability to communicate and understand spoken instructions.
<b>B.</b>	Disproportionate numbers of disadvantaged pupils on SEND register, principally identified with poor literacy skills, linked to children's oracy and ability to speak grammatically correctly.
<b>C.</b>	High number of children requiring emotional / welfare support necessitating a range of interventions in order to access the curriculum.
<b>D.</b>	Many of the disadvantaged children display poor attitudes to learning and can lack resilience when attempting difficult tasks.

#### External barriers (issues which also require action outside school, such as low attendance rates)

<b>D.</b>	Attendance of disadvantaged groups is below that of other children, especially persistent absenteeism.
