

Welcome to Class 2M at Marlborough Primary Academy

I live in Devonport and love being by the sea.

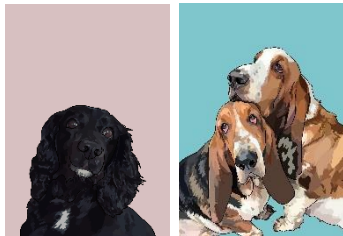

Things I like to do:

I like going on walks with my dog, Dutch. He can be very naughty sometimes!

I like spending time with my family and friends.

I love art, especially drawing. I drew these pet portraits on my iPad.

I love to **read** books to relax. I enjoy **exercise** classes and am looking forward to the gym opening again!

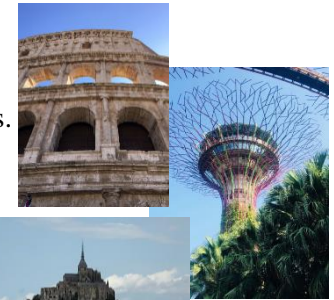

Miss Millar

A very warm welcome to 2M.
I am so excited to be teaching your year group.
In Autumn 1, our topic will be **‘Superheroes’**.
I can't wait to meet you all. We are going to have lots of fun!

I love...

Exploring new places.

Rome, Singapore, France

Eating food! Some of my favourite foods are: pizza, hummus, salt and vinegar crisps.

Going to music festivals.

Collecting and caring for interesting house plants. These ones have funny names... An Elephant's Ear and a Money plant!
