### Pick up of school children

From Monday we will be closing the small silver gate next to the Surestart building/black gate/kitchen. Please can we ask you to wait, on the carpark side of this silver gate, for both gates to be opened? Now the weather is warmer Yellow class will be doing more of their learning outside under the canopy and it is better if they are not distracted by the few parents that arrive earlier than three o'clock.

Many thanks.

### Photographs

Individual photos that have been ordered have arrived in school and have been given to the children today.

Class photo proofs will be handed out as soon as we receive them from Braiswicks.

### Sports Week - Week commencing 14<sup>th</sup> June

As it still looks unlikely that we will be able to hold a spectator event on the school site this academic year we have decided to hold a whole week of sports activities for our school children instead. So Monday through to Friday if your child would prefer to **come to school wearing their sports kit** they can. If they choose to come in uniform they will need a kit to change into for the afternoon activities.

We have arranged a mix of activities from Football, Rounders, Track Races to Dance plus a few more fun active sessions to add to the sporty week.

If the weather stays fine these will mainly take place on the field, so a pair of trainers will be essential.

### Suncream

During this warm spell please send a named sun hat with your child. Also, bottles of sun cream need to have names attached to them. School children should be able to apply their own sun cream before breaks and Nursery children should have their cream applied at home before starting the morning /afternoon session. Thank you.
