## Attendance – Every day counts.

Well done to Butterflies for their improved attendance figures! A fantastic 100%.

We need your continuing help to improve our attendance figures so please send your child every day, if they are well, as every day counts. If they have the odd sniffle or cough please send them to school. We will send them home if they are unwell.

Let's hope the sickness bug has now gone! If your child does have sickness and/or diarrhoea then please keep them off for 48 hours after their last bout as this will help to prevent it spreading.

You will receive a print out of your child's current attendance at parents' evening. Above 96% is excellent, above 95% is good and below 95% we will monitor your child's attendance. Below 90% could result in an attendance meeting and involvement from our Educational Welfare Officer.

## Parents' Evening

We are holding Reception (F2), years 1 & 2 parents' evenings week commencing 4<sup>th</sup> February. Classes will be putting up a list of times for you to sign up for. Please remember these meetings are to talk about academic progress, if you have additional information to share or concerns please make a separate appointment to speak to the class teacher.

Each year group will arrange a place for you to wait.

## Wear red day

On Friday 1<sup>st</sup> February we will be supporting **#WearRedDay** to raise money for **Congenital Heart Disease**. Money raised during the day will fund ground breaking new equipment to save and improve lives.

Please simply wear red. Think red ties, red socks, red scarves or red hat! Then just put your donation in the class box.

There will also be 3 different Raffles! A big prize raffle, a raffle in individual classes and a free to enter raffle for every child in school/nursery to win a football and football gloves. Details will be on posters around school. Natalie will be selling raffle tickets every morning next week, for the big prizes, either by the main entrance or in the hall, weather dependent.
