Reminder

* Please do not use inappropriate language in front of other parents, staff or children on the school grounds. It is important we set a good example at all times.

* Derbyshire County Council Policy states that smoking, including e-cigarettes, is not permitted anywhere on the school grounds. This includes the carpark and down the lane next to the bins. It also includes smoking in your car if you are parked on school premises.

Christmas Hamper

The Christmas hamper currently remains unclaimed. Please check your tickets, 408 orange wins the hamper containing a selection of food items. As there are items nearing use by dates, if the prize remains unclaimed by Wednesday 16th January we will split the contents and distribute.

Head Lice

There have been quite a few reported cases of Head Lice across School. Please can you check your child's hair tonight and treat if required.

We suggest the following procedure for inspecting your child for head lice:

1. Under bright light begin looking at the back of the head just above the neck area.
2. Part the hair section by section and look closely for head lice or nits (eggs). Eggs will usually be located near the scalp.
3. Depending on the length and thickness of the hair, it should take between 5 and 15 minutes to properly inspect a child's head.

If you suspect your child is infested with head lice please treat your child promptly. In addition, the entire family should be inspected for head lice as well.

Your child does not need to take time off school for treatment.
