Christmas Collections

It seems such a long time ago now but a huge thank you to all those who came to support our children and enjoy our fabulous Christmas productions. We raised a fantastic £480.

We also raised £200 through our Christmas jumper day which we are donating to Cancer research. A huge thank you to you all.

Talent spotting

We were very excited to welcome Optomen Television into school this week. They are producing a new documentary for Channel 4 and are looking for talented Year 2 and 3 children – which we have in abundance!! We hope that we may get to see some of our wonderful children on the small screen in the near future.

Staffing

I can't quite believe that I am writing to you to explain that unfortunately Mrs Clay has also recently been diagnosed with breast cancer and will be starting her treatment this week. I am sure that you will join me in sending all our love, thoughts and prayers to her and her family during this difficult time. Everyone is very positive about the outcome and I will of course keep you updated.

On a positive note, we are looking forward to welcoming Mrs Lake back into school in the coming weeks.

We are extremely proud of the curriculum we offer to all our pupils. This year we are working hard to gain the Artsmark, which is awarded by the Arts Council. We are planning a spectacular Arts Festival later in the year, where our children will perform dances and exhibit their art work in our gallery. Further details will be given later in the term. We also want to ensure that all children have fantastic experiences of different aspects of the arts and as a result of this we aim to take all our children on a theatre visit. We will be asking for voluntary contributions to help cover the cost of these.

Parking

We are still having regular complaints from local residents about irresponsible parking on Stokesley Road. Please help us with this ongoing problem by parking with care.

Dates

- ❖ *Wednesday 18th January 4.45pm: Year 6 SATs meeting*
- ❖ *Tuesday 30th January: Class Photographs*
- ❖ *Thursday 8th February: Year 2 SATs meeting*
