

Captain Cook Primary School

April Newsletter 2018

Firstly a huge thank you to all their parents and family members who attended our Arts events this week. It is safe to say they were an immense success and enjoyed by all those involved. The money raised from the sale of artwork will help us to organise future activities linked to the Arts.

Another thank you for your support in our 'Jump Rope for Heart' sponsored event. We manage to raise £1364 for the British Heart Foundation.

Messages

- ❖ A gold star for attendance last term as we managed to reach an all-time high! We have celebrated this in assembly so we thought we would celebrate with you too! (You can now find an attendance information page on our school website).
- ❖ School Uniform- All uniform orders for September need to be placed by the end of this term please (25th May).
- ❖ Uniform Reminder- We appreciate that children will be growing out of school shoes at this point in the year but please continue to support our school uniform policy of no sandals and black trainers only. Thank you!

Gotta read 'em all

It seems that our Pokémon reading challenge has really taken off since World Book Day. Despite this we still have children who have been unable to catch their Pokémon as they have not completed enough or any home reading. Please help to make our challenge an even bigger success by reminding and encouraging your child to read at least 3 times every week. Not only will this improve their reading but it will enable them to catch Pokémon and earn stickers and rewards. Many thanks!

To catch 'em all

Transition Arrangements

Following on from the success of last year's transition arrangements, we have decided to have a similar arrangement whereby all children will move to their new class on Monday 16th July. This will mean that they will start and end the day with their new class teacher. Once again we will give parents the opportunity to 'drop-in' and meet new teachers. Further information will be provided nearly the time.

Physical Education

We feel that PE and keeping fit is a very important part of life. We are aware that a number of children are still not bringing a PE kit into school. For some, this can be quite upsetting when they realise their PE kit isn't on their coat peg. It would help if all children brought one into school at the start of the half term and kept it there until the half term holidays.
