School closure procedures

Closing the school is not a decision we make lightly. We always consider the safety of our children first. The school may need to be closed because of heavy snow which prevents many of the staff from driving to the school or because the roads/paths around the site are not safe. We thank you in advance for your understanding.

Christmas Tickets

Tickets will be sent home on Monday 11th, spares will be available Tuesday.

Golden Time

Congratulations to all children who have achieved their full 20 minutes of golden time on Fridays. I hope the few who haven't will soon be joining them...

Important Dates

13th December: **Nursery attend all day** for the play and **BBs do not attend that day.**

19th December- wear Christmas jumper day & Christmas meal

8th January- INSET Day for staff

9th January- children return

Keep germs at bay...

These last few weeks, so many children have suffered from vomiting and diarrhoea. We encourage all children to wash their hands after going to the toilet and before their lunch. Could you please remind them to do the same at home as part of their personal hygiene. Thank you.

Attendance

Children who will have 97% attendance and more at the end of December will be rewarded with a party with games, activities and food. It will take place in the new year. Children with 100% will attend the party get a £5 voucher and a certificate.

Attendance winners this week are Year 3 with 97%.

Last week our winners were Year 1 with 96.5%.

Well done to both classes.

If your child is absent for several days, make sure you phone the office **everyday** please. Thank you.

Parents on school grounds...

Can I please remind everyone that unacceptable behaviour and language will not be tolerated on school premises. If necessary, you will be asked to leave the school. All adults have a responsibility to be positive role models to children around them. Thank you.
