Welcome back for an exciting Summer Term!

100 Million minutes Challenge

Brownhills West finished 87th on the leader board out of 679 schools!

The children at our school read 179,524 minutes, which is equivalent to 1014 minutes per child!

Well done everyone and a big thank you to Mrs Winfield for organising this valuable competition.

Is your child 2 years old?

You may be eligible for 15 hours free/5 afternoon sessions in our Bright Beginnings. This is a great way for your child to have fun, learn and socialise in a safe and caring environment with highly experienced and skilled professionals. Please contact the school office for more details.

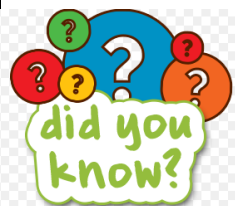

Family lunches

It was a real pleasure seeing so many of you share your lunch with your child/children! Thank you for joining us and for your continued support.

Old uniforms

We would really appreciate it if you could donate your children's old school uniforms to help out families in needs. Thank you in advance.

Private Fostering

Please be aware that if a non-blood relative child is living with you and has done for more than 28 days, you must notify Walsall

Council as this is classed as private fostering.

Charity walk

Our congratulations go to Oscar Bradley from Y6 for raising money for McMillan cancer support. He attended the 6 miles Chasewater fundraising run and managed to raise over £200. We are proud of you Oscar!

Baby news!

I am sure you will join us all in congratulating Mrs Cox on her lovely news that she is expecting her third child. We wish her a healthy pregnancy...

Attendance

Last week our winners were Reception with 98.1%

This weeks winners are Year 3 with 98.3%.

Well done to both classes!

This term's winners are:

Important Dates

16.04.18 - School reopens

Brownhills Best:

Reception have been busy learning lots of new sounds in Read Write Inc in our new groups. We are learning to read so many new words now - have you noticed how clever we are? In maths, we have been learning to use 'bar modelling' to help us with all our topics, such as addition, subtraction, doubling and halving. We have also been looking for signs of Spring, and had a lovely afternoon walking to Chasewater where we saw deer, buds, blossom, ants and bees.
