## Reassure your children

To help with the cost of Mylee's funeral, there is a collection box in the main office. The cluster schools will also organise a fund-raising event when the children will attend school in non-uniform in exchange for a donation. In the meantime, please reassure your children that they are safe at home.

## Keep our children safe

The police have been informed that some adults are driving too fast and parking dangerously outside the school. Please drive carefully to ensure the safety of everyone and avoid Shannon Drive unless absolutely necessary. Thank you.

## Avoid accidents at collection times

Please supervise your children at the end of the day and remind them that they should not be using the Early Years playground equipment or climbing on the bike shelter's gate. Thank you.

## Unacceptable behaviour from adults

All adults have a responsibility to be good role models to children around them. Aggressive behaviour and bad language will not be tolerated on school premises and if necessary, you will be asked to leave the school.

## Attendance

Last week our winners were Reception with 98.1%

This weeks winners are Year 3 with 98.3%.

Well done to both classes!

## Important Dates

16.02.2018 - Training Day - school closed to children

19.02.18-23.02.18 - Half Term

26.02.18 - School reopens

Brownhills West Primary School, Shannon Drive, Brownhills, Walsall WS8 7LA

## Brownhills Best:

We had a fantastic first term in year 3 and 4. It was so much fun to enjoy the snow at the end of the term too! We are looking forward to the new term and are eager and ready to learn lots more exciting things.

## Year 3

We are currently finishing our Romans topic and this week we have learnt about Roman bath houses. We even designed our own!

## Year 4

We have been learning all about Stone Age weapons and what Stone Age people ate. We will also be making a 3D Stone Age weapon. Our Stone Age topic will be coming to an end this week ready to start a new topic.
