Friday 22nd December 2017

On this page: Electronics for Reception, Dinner options, Head lice, Dates and Attendance
Next page: Christmas Performance

Merry Christmas and Happy New Year!

We wish everyone a peaceful Christmas and send you all our very best wishes for the new year. Enjoy some family time at this very special time of year and take care of each other...

Plea from Reception class...

Reception children will be using different skills to take objects apart and explore how they work. If you have any broken or old electronic or battery-operated toys or household objects or even mobile phones, please bring them into school from January.

Dinner Options

Much food gets wasted at lunch times as children realise they do not like the options of the day. Could you please check what is on offer from our website so that children eat and enjoy their food. Thank you.

Attendance

Children who will have 97% attendance and more at the end of December will be rewarded with a party with games, activities and food. The party will take place in the new year.

Children with 100% will attend the party and get their £5 voucher in the new year.

Congratulations to Y5 who are the Attendance winners this term.

If your child is absent for several days, make sure you phone the office **everyday** please. Thank you.

Head lice

To prevent the spreading of head lice, could you please ensure your child's hair is tied back. Thank you.

Important Dates

8th January- INSET Day for staff- SCHOOL CLOSED TO PUPILS

9th January- children return

16th February- INSET Day for staff- PLEASE NOTE THAT THIS IS THE INSET DAY THE SCHOOL LEFT FLEXIBLE AT THE BEGINNING OF THE YEAR.
