Collective Worship

The focus for this term will be spirituality, awe and wonder. We have already begun to think about what invokes a sense of awe and wonder within each and every one of us and children have been asked to share their thoughts, so that these are included in our worship. Our aim is to strengthen our understanding of spirituality in its widest sense. We are developing our Peace Garden into an area for quiet reflection. We would love to hear from anyone in the community who would like to support us this term. What invokes a sense of awe and wonder within you?

School Uniform

Would parents please support us in ensuring that children are wearing the correct school uniform and that it is all named. In particular, hair should be tied back with a plain band or tie and jewelry should not be worn (other than a watch and a single plain stud in pierced ears). NB Children must be able to remove earrings for PE lessons. In addition, if PE kits are worn home after clubs/events, please ensure they are returned the following day.
