

## Wendover CE Junior School

### Cycling to School?

Keep Safe!

- Always wear a cycle helmet and check it fits well and is fastened securely.
- Wear a hi-viz vest or bright clothes so that drivers and pedestrians can see you easily.
- Check your bike - do an ABC check before you travel:
  - A - Air
  - B - Brakes
  - C - Chain
- Wear a backpack - don't hang bags on the handlebars!
- Use Shared Cycle Paths where possible (see map) but watch out for pedestrians.
- Use your bell so pedestrians know you are there!
- Please dismount in the Parents' Waiting Area as this is a Pedestrian Zone.
- Please park your bike in the cycle rack and lock it up.
