We aim to be the school of choice at the heart of our community.

Through living our Christian values, all children and adults at WCEJS have the opportunity to flourish as individuals.

We nurture the curiosity to learn, the courage to lead and the compassion to care.

WCEJS Newsletter 26 March 2021

You may be aware of recent concerns regarding “stranger danger” in Aylesbury and surrounding area. There have been two reports of a man hanging around the Bedgrove area who is trying to entice young children away from safety. We will be reminding children about the importance of making good choices regarding on line and face to face contact with strangers. You may wish to discuss this with your child over the weekend. Should you have any information concerning unusual behavior of an adult man, seen getting into a white van, please report it to the police.

Attendance

Please note that all children should be in school by 9am each morning. If your child is unable to attend school, please email admin@wendoverjunior.co.uk , before 9.30am, stating the reason for absence.

Collective Worship

Our message of taking responsibility for yourself has continued this week, thinking about the importance of bubbles. We have heard a lot about bubbles since the start of COVID, but our bubble refer to an imaginary 1m bubble that surrounds us – this is our personal space. We have thought about how we feel if someone is within our 1m bubble and how to react if we don’t like this.

COVID Update

As you probably already know, everyone working in primary schools and Early Years settings is testing twice a week for COVID-19 to help keep the school community safe. While nursery and primary school pupils do not have to be tested, other members of their households can access regular testing and we urge you to do so - every case we can pick up and isolate helps to stop the virus spreading and ultimately keeps us all safer.

Anyone with a child at a primary school can get tested regularly by attending one of the four rapid test sites in Buckinghamshire, or you can go and collect test kits to do yourself at home. If it’s hard for you to go to a site, you can have test kits posted out to you – all the details are on the government’s website at www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff

Thank you so much for playing your part in the fight against COVID-19. For more local information about COVID-19 and to find the locations of the Buckinghamshire rapid test sites, you can go to the Buckinghamshire Council website at www.buckinghamshire.gov.uk/coronavirus

Continue to monitor your child’s health carefully. **Do not send them into school if they, or anyone else in the household, is symptomatic or awaiting a test result.**
