**We have not yet received enough contributions towards this visit. If we do not receive payments by 3.30pm Monday 17<sup>th</sup> September, the event is at risk of cancellation.**

## TURNING CIRCLE & PARKING

As we start the new term we would ask all parents to be considerate when parking near the school and to respect the access areas and property of local residents. Please also remember that traffic using the school's 'turning circle' should keep flowing at all times with no stopping to drop off/pick up children. Only staff should be parking on-site between 8:00 am and 5:00 pm. For the safety of everyone on site your support is most appreciated.

The Turning Circle is provided to enable you to safely turn around without having to make a three-point turn in Northway or other local roads. Three-point turns, especially on Northway, is an incredibly dangerous manoeuvre, putting pedestrians at risk and we hope you will all take this message on board. Thank you.
