## WATER BOTTLES & SUNCREAM

Please can you please make sure that all children are supplied with a named, full water bottle each day please (preferably no squash). As we're sure you will appreciate, supplying even a small number of children with plastic cups on a daily basis is a costly business.

Applying sun-cream first thing in the morning on hot sunny days is a good habit to adopt and please remember to bring in named sun hats whenever possible.

## SCHOOL UNIFORM ORDER

**Dates to order for delivery before the end of Summer term.**

The final cut-off date for delivery into school before the school closes for the Summer holidays is **midnight on 15<sup>th</sup> June**.

The final cut-off date for deliveries to home addresses before the 31<sup>st</sup> August is 31<sup>st</sup> July.

Any orders placed after this date will not be delivered until approximately mid-September.

## JACKET POTATOES

For clarification, when children order a jacket potato they can select ONE of the following: -

Tuna	Cheese	Beans
------	--------	-------

If a child orders TUNA, they will be given tuna (no option to change).

If a child orders CHEESE, they will be given JUST cheese (no option to add beans).

If a child orders BEANS, they will be given beans and asked if they would like some CHEESE as well.

This avoids the kitchen wasting tuna or running out of beans. Children will be given the above information in class.

## Y3 Butser Farm Trip

Thankfully the trip will be going ahead which is great news for our Year 3 children!

This trip is crucial to the curriculum, which will include follow-up work that takes place in the class afterwards.

However, there are contributions still outstanding and payment of these would be appreciated to avoid any losses for the school.

*Y1 Trip to Rushall Farm – Deadline for contributions was Thursday 23<sup>rd</sup> May*

## CONSERVATION DAY

Last Saturday, we held a very successful drop-in conservation day in our school grounds. Over forty-five people attended to offer their help. One of the areas we worked on was the pond which needed carefully clearing of blanket weed. While clearing, we found newts, a fresh water snail, a damsel fly nymph, a pond skater and a water boatman. These creatures were all returned safely to their home. Thank you to everyone who took part.

### MULTI-SKILLS

All of the year 1 children took part in another successful multi -skills event with other local schools held on the Hawthorns field.

We would like to express our appreciation to the Forest School, Mr Eaglesham and the Year 10 Boys for running a very successful inter- school event for the Year 1 pupils on Monday afternoon. It was well supported with a total of four participating schools. All the pupils had a great time and it was lovely to welcome our parents and those from visiting schools to offer their support.

A big thank you to The Forest School and Mrs McKay for organising it all.
