February 2017.

Science Week

Hawthorns are planning a science week linked to the polar regions for the first week back after half term. If any parents are involved in a STEM career that links to polar exploration, extreme Arctic weather, boat design, Arctic or Antarctic animals, specimen collection, global warming with a link to the polar ice caps or any other aspect of the polar regions they feel may be relevant, and are willing to come and talk to a year group about their experience/share their knowledge the week beginning 19th Feb, please email the office and Mrs Graham will get back to you.

Congratulations to our U11 school team.

Our team entered the regional EFL Kids cup at the Madjeski Tournament.

After competitive rounds we won the final and will represent Reading FC in the next stage due to be played in March.

Netball Match

23rd January 2018

Well done on the team's first ever Netball Match – fantastic effort!

Year 1

Cry for help:

We need spare pants and knickers, socks and tights please.

PSHE (Personal, Social and Health Education) Programme

Monday 19th February 2018

6.30pm in the main hall

Come and find out about our new school scheme 'Jigsaw'.

Please note that children should NOT attend this evening due to the nature of the programme
