9:30-10:20 am	<b>Maths</b> Understanding clocks	During this lesson, you will be consolidating the learning we did on time in the classroom, starting with the understanding that the hour and minute hands work simultaneously. Fill any remaining time with the additional activity. <b>You will need a pencil and some paper.</b>	<a href="#">Understanding clocks (29.06.20)</a>  <a href="#">Education City (classwork wb. 6<sup>th</sup> July)</a> <a href="#">NRICH Activity</a>
10:20-10:30 am	Times Tables	By looking at the results from all the work you have done on TT Rock Stars so far, it looks like the 8 and 11 times tables require more practise so I have set those tables for this week. Good luck everyone – keep practising!	<a href="#">Times Tables Rock Stars</a>
10:30-11:00 am	Break	Challenge yourself to try something different this week – why don't you make up a challenge item of your own and post it on the learning platform for your class to complete?	<a href="#">Challenge</a>
11:00-11:50 am	<b>English</b> Reading comprehension – answering questions	In this lesson, you will be practising answering a range of reading comprehension questions. Think back to the sessions on 'The Iron Man' that we did in class and the discussions we had about how to answer questions; remember to find the evidence in the text. You will also be given spellings to practise for the week. <b>You will need a pencil and some paper.</b>	<a href="#">Reading Comprehension (29.06.20)</a>
11:50 am - 12:00 noon	Spelling	Log on to Spelling Frame and play some of the games there to practise the spellings for this week. Don't forget to take the test on Friday.	<a href="#">Spelling Frame</a>
12:00-1:00 pm	Lunch	Why not offer to prepare lunch for the family one day this week? There are lots of ideas on this website for healthy lunches but remember to ask permission first before entering the kitchen to cook: <a href="#">Activity club - Bite Back</a>	
1:00-1:15 pm	Reading	Read, either to yourself or to an adult or sibling. If you have read all the books available, why not spend some time on read theory?	<a href="#">Read Theory</a>
1:15-2:15 pm	<b>Geography</b> Why does it rain?	In this lesson, we will be learning about why it rains. We will also be learning about the three different types of rainfall. <b>You will need a pencil and some paper.</b>	<a href="#">Geography - Why does it rain? (29.06.20)</a>
2:15-3:30 pm	Try your hand at...	...drawing your own super hero. ...dancing out at the end of the day with Oti from Strictly!	<a href="#">Drawing your own super hero</a> <a href="#">Harry Potter</a>
