

Year 5 Home Learning Timetable

Monday 6th July 2020

Time	Activity	Tasks	Links
9:00-9:30 am	PE	Burn off some energy before you sit down to work.	Work out with Joe Wicks
9:30-10:20 am	Maths Properties of diagonals of quadrilaterals	During this lesson, you will be developing your learning from last week about shape. You will start by exploring diagonals in quadrilaterals. Fill any remaining time with the additional activity. You will need a pencil and some paper.	Properties of diagonals of quadrilaterals (29.06.20) Education City (classwork wb. 6th July) Nrich Activity
10:20-10:30 am	Times Tables	By looking at the results from all the work you have done on TT Rock Stars so far, it looks like the 8 and 12 times tables require more practise. Good luck everyone – keep practising!	Times Tables Rock Stars
10:30-11:00 am	Break	Challenge yourself to try something different this week – why don't you make up a challenge item of your own and post it on the learning platform for your class to complete?	Challenge
11:00-11:50 am	English Reading comprehension – answering questions	In this lesson, you will be practising how to answer a range of reading comprehension questions. Think back to the sessions on 'The Explorer' that you did in class and the discussions you had about how to answer questions; remember to find the evidence in the text. You will also be given spellings to practise for the week. You will need a pencil and some paper.	Reading Comprehension (29.06.20) Education City (classwork wb. 6th July)
11:50 am - 12:00 noon	Spelling	Log on to Spelling Frame and play some of the games there to practise the spellings for this week. Don't forget to take the test on Friday.	Spelling Frame
12:00-1:00 pm	Lunch	Why not offer to prepare lunch for the family one day this week? There are lots of ideas on this website for healthy lunches but remember to ask permission first before entering the kitchen to cook: Activity club - Bite Back	
1:00-1:15 pm	Reading	Read, either to yourself or to an adult or sibling. If you have read all the books available, why not spend some time on read theory?	Read Theory
1:15-2:15 pm	Geography How do you produce energy? (2)	In this lesson, you will be continuing your learning from last week about how energy is produced. You will be interpreting data about energy production in different countries and plotting this on a bar graph. You will need a pencil and some paper.	Geography - How do we produce energy? (2) (29.06.20)
2:15-3:30 pm	Try your hand at...	...drawing your own super hero. Why not share your super hero with your class on the learning platform? ...dancing out at the end of the day with Oti from Strictly!	Drawing your own super hero Harry Potter

Year 5 Home Learning Timetable

Tuesday 7th July 2020

Time	Activity	Tasks	Links
