

Year 6 Home Learning Timetable

Monday 6<sup>th</sup> July 2020

Time	Activity	Tasks	Links
9:00-9:30 am	PE	Burn off some energy before you sit down to work.	<a href="#">Work out with Joe Wicks</a>
9:30-10:20 am	<b>Maths</b> Line graphs	During this lesson, you will learn to construct line graphs using discrete and cumulative data. <u>Extension:</u> Could you set up your own experiment to record continuous data and record your results on a line graph? <b>You will need a pencil and some paper.</b>	<a href="#">Line Graphs (29.06.20)</a>
10:20-10:30 am	Times Tables	By looking at the results from all the work you have done on TT Rock Stars so far, it looks like the 8, 9 and 12 times tables require more practise. Good luck everyone – keep practising!	<a href="#">Times Tables Rock Stars</a>
10:30-11:00 am	Break	Challenge yourself to try something different this week – why don't you make up a challenge item of your own and post it on the learning platform for your class to complete?	<a href="#">Challenge</a>
11:00-11:50 am	<b>English</b> Reading comprehension – answering questions	In this lesson, you will be practising answering a range of reading comprehension questions. Think back to the SATs practice you did in class and the discussions you had about how to answer questions; remember to find the evidence in the text. You will also be given spellings to practise for the week. <b>You will need a pencil and some paper.</b>	<a href="#">Reading Comprehension (29.06.20)</a>
11:50 am - 12:00 noon	Spelling	Log on to Spelling Frame and play some of the games there to practise the spellings for this week. Don't forget to take the test on Friday.	<a href="#">Spelling Frame</a>
12:00-1:00 pm	Lunch	Why not offer to prepare lunch for the family one day this week? There are lots of ideas on this website for healthy lunches but remember to ask permission first before entering the kitchen to cook: <a href="#">Activity club - Bite Back</a>	
1:00-1:15 pm	Reading	Read, either to yourself or to an adult or sibling. If you have read all the books available, why not spend some time on read theory?	<a href="#">Read Theory</a>
1:15-2:15 pm	<b>Geography</b> What is a population pyramid?	In this lesson, you will be exploring a new type of graph called a population pyramid. These special graphs help us to see what the breakdown of a population is in terms of gender and age. Why might someone need to construct one of these? <b>You will need a pencil and some paper.</b>	<a href="#">Geography - What is a population pyramid? (29.06.20)</a>
2:15-3:30 pm	Try your hand at...	...drawing your own super hero. ...dancing out at the end of the day with Oti from Strictly!	<a href="#">Drawing your own super hero</a> <a href="#">Harry Potter</a>

Year 6 Home Learning Timetable

Tuesday 7<sup>th</sup> July 2020

Time	Activity	Tasks	Links
9:00-9:30 am	PE	Today, let's get started with some theme based exercise!	<a href="#">Exercise as your favourite character...</a>
9:30-10:20 am	<b>Maths</b> Interpret pie charts	In this lesson, you will learn to interpret pie charts.  Fill any extra time with the NRICH activity. <b>You will need a pencil and some paper.</b>	<a href="#">Interpret pie charts (30.06.20)</a>  <a href="#">NRICH Activity</a>
10:20-10:30 am	Times Tables	See if you can win the chase, using the times table you are working on.	<a href="#">Times table chase</a>
10:30-11:00 am	Break	Challenge yourself to try something different this week – why don't you make up a challenge item of your own and post it on the learning platform for your class to complete?	<a href="#">Challenge</a>
11:00-11:50 am	<b>English</b> Comprehension questions	In this lesson, you will be practising answering a range of reading comprehension questions. Think back to the SATs practice you did in class and the discussions you had about how to answer questions; remember to find the evidence in the text. <b>You will need a pencil and some paper.</b>	<a href="#">Reading Comprehension (30.06.20)</a>
11:50 am - 12:00 noon	Spelling	Log on to Spelling Frame and play some of the games there to practise the spellings for this week. Don't forget to take the test on Friday.	<a href="#">Spelling Frame</a>
12:00-1:00 pm	Lunch	Why not offer to prepare lunch for the family one day this week? There are lots of ideas on this website for healthy lunches but remember to ask permission first before entering the kitchen to cook: <a href="#">Activity club - Bite Back</a>	
1:00-1:15 pm	Reading	Read, either to yourself or to an adult or sibling. If you have read all the books available, why not spend some time on read theory?	<a href="#">Read Theory</a>
1:15-2:15 pm	<b>PSHE</b> George Floyd – our catalyst for change	In today's lesson, you will be building on the wonderful work that has taken place on Black Lives Matter by using the ultimate tragedy of George Floyd's death to drive change nationally. As Deputy PM, you will lead this via contributing to a 'Fund it' page, create a billboard and a slogan to raise awareness of the issue of bias.	<a href="#">George Floyd (29.06.20)</a>
2:15-3:30 pm	Try your hand at...	... talking about your family and pets in Spanish.  ... dancing out at the end of another day! Well done everyone.	<a href="#">Talk about your family and pets in Spanish (30.06.20)</a>  <a href="#">Road Trippin' - USA</a>

Year 6 Home Learning Timetable

Wednesday 8<sup>th</sup> July 2020

Time	Activity	Tasks	Links
9:00-9:30 am	PE	Burn off some energy before you sit down to work.	<a href="#">Wake up and work out with Joe Wicks</a>
9:30-10:20 am	<b>Maths</b> Use fractions to express proportions	In today's lesson, you will use fractions to express proportions. Try to recall and draw on everything you have learnt about fractions this year. Fill any extra time with the NRICH activity. <b>You will need a pencil and some paper.</b>	<a href="#">Use fractions to express proportions (01.07.20)</a> <a href="#">NRICH Activity</a>
10:20-10:30 am	Times Tables	By looking at the results from all the work you have done on TT Rock Stars so far, it looks like the 8, 9 and 12 times tables require more practise. Good luck everyone – keep practising!	<a href="#">Times Tables Rock Stars</a>
10:30-11:00 am	Break	Challenge yourself to try something different this week – why don't you make up a challenge item of your own and post it on the learning platform for your class to complete?	<a href="#">Challenge</a>
11:00-11:50 am	<b>English</b> Key features of poems	During this lesson, you will be identifying the features of a poem. Think back to your learning based on other poems you have studied this year – for example 'The Kraken'. <b>You will need a pencil and some paper.</b>	<a href="#">Identifying the features of a poem (01.07.20)</a>
11:50 am - 12:00 noon	Spelling	Log on to Spelling Frame and play some of the games there to practise the spellings for this week. Don't forget to take the test on Friday.	<a href="#">Spelling Frame</a>
12:00-1:00 pm	Lunch	Why not offer to prepare lunch for the family one day this week? There are lots of ideas on this website for healthy lunches but remember to ask permission first before entering the kitchen to cook: <a href="#">Activity club - Bite Back</a>	
1:00-1:15 pm	Reading	Read, either to yourself or to an adult or sibling. If you have read all the books available, why not spend some time on read theory?	<a href="#">Read Theory</a>
1:15-2:15 pm	<b>Science</b> Separating mixtures by sieving, filtration and evaporation	In this lesson, you will look at three different methods for separating mixtures: sieving, filtration and evaporation. You will learn when to use each one and plan your own experiment. <b>You will need a pencil, ruler and some paper.</b>	<a href="#">Separating mixtures by sieving, filtration and evaporation (01.07.20)</a>
2:15-3:30 pm	Try your hand at...	... exploring your blind spot. ... Dancing out at the end of another day with Oti from Strictly!	<a href="#">Finding your blind spot</a> <a href="#">Trolls</a>

Year 6 Home Learning Timetable

Thursday 9<sup>th</sup> July 2020

Time	Activity	Tasks	Links
9:00-9:30 am	PE	Burn off some energy before you sit down to work.	<a href="#">PE with Jack and Jake</a>
9:30-10:20 am	<b>Maths</b> Use ratio to express relationships	In today's lesson, you will use ratio to express relationships. Fill any extra time with the NRICH activity. <b>You will need a pencil and some paper.</b>	<a href="#">Use ratio to express relationships (02.07.20)</a> <a href="#">NRICH Activity</a>
10:20-10:30 am	Times Tables	See if you can win the chase, using the times table you are working on.	<a href="#">Maths Chases</a>
10:30-11:00 am	Break	Challenge yourself to try something different this week – why don't you make up a challenge item of your own and post it on the learning platform for your class to complete?	<a href="#">Challenge</a>
11:00-11:50 am	<b>English</b> Writing focus: Planning including rhyme and archaic language	In this lesson, you are to going to focus on direct and indirect speech in a newspaper report. Think back to your newspaper reports based on nursery rhymes, where we learnt about turning direct to reported speech. <b>You will need a pencil and some paper.</b>	<a href="#">Writing focus: Planning including rhyme and archaic language (02.07.20)</a>
11:50 am - 12:00 noon	Spelling	Log on to Spelling Frame and play some of the games there to practise the spellings for this week. Don't forget to take the test on Friday.	<a href="#">Spelling Frame</a>
12:00-1:00 pm	Lunch	Why not offer to prepare lunch for the family one day this week? There are lots of ideas on this website for healthy lunches but remember to ask permission first before entering the kitchen to cook: <a href="#">Activity club - Bite Back</a>	
1:00-1:15 pm	Reading	Read, either to yourself or to an adult or sibling. If you have read all the books available, why not spend some time on read theory?	<a href="#">Read Theory</a>
1:15-2:15 pm	<b>Geography</b> What challenges can a growing population present?	In this lesson you will explore how rapidly growing populations in certain areas can present challenges, especially around infrastructure and resources. <b>You will need a pencil and some paper.</b>	<a href="#">Geography - What challenges can a growing population present? (02.07.20)</a>
2:15-3:30 pm	Try your hand at...	... making a family tree  ...dancing out at the end of another day!	<a href="#">Making a family tree</a>  <a href="#">Toosie Slide</a>

Year 6 Home Learning Timetable

Friday 10<sup>th</sup> July 2020

Time	Activity	Tasks	Links
9:00-9:30 am	PE	Burn off some energy before you sit down to work.	<a href="#">Yoga</a>
9:30-10:20 am	<b>Maths</b> Scale factor in shapes	In today's lesson, we will solve problems involving scale factor. Fill any extra time with the NRICH activity. <b>You will need a pencil and some paper.</b>	<a href="#">Scale factor in shapes (03.07.20)</a> <a href="#">NRICH Activity</a>
10:20-10:30 am	Times Tables	By looking at the results from all the work you have done on TT Rock Stars so far, it looks like the 8, 9 and 12 times tables require more practise. Good luck everyone – keep practising!	<a href="#">Times Tables Rock Stars</a>
10:30-11:00 am	Break	Challenge yourself to try something different this week – why don't you make up a challenge item of your own and post it on the learning platform for your class to complete?	<a href="#">Challenge</a>
11:00-11:50 am	<b>English</b> Write a poem	During this session, you will be writing a poem. Try to make use of some of the poetic techniques you have learnt about this year. <b>You will need a pencil and some paper.</b>	<a href="#">Write a poem (03.07.20)</a>
11:50 am - 12:00 noon	Spelling	Take the test on Spelling Frame. Afterwards, you can practise any words you found trickier, using the ideas in your work packs.	<a href="#">Spelling Frame</a>
12:00-1:00 pm	Lunch	Why not offer to prepare lunch for the family one day this week? There are lots of ideas on this website for healthy lunches but remember to ask permission first before entering the kitchen to cook: <a href="#">Activity club - Bite Back</a>	
1:00-1:15 pm	Reading	Read, either to yourself or to an adult or sibling. If you have read all the books available, why not spend some time on read theory?	<a href="#">Read Theory</a>
1:15-2:15 pm	<b>Music</b> Pulse in 3 and 4 time	In this lesson, you will be learning about pulse in 3 and 4 time.	<a href="#">Pulse in 3 and 4 time (03.07.20)</a>
2:15-3:30 pm	Try your hand at...	... making a long-flying paper aeroplane. Why not challenge a family member to a competition. ... dancing out at the end of another week with Oti from Strictly. Well done everyone!	<a href="#">Making a long-flying paper aeroplane</a> <a href="#">Jungle Book!</a>
