.....breathing life into learning...to be the best we can be...

Headteacher: Mrs Nicola Davenport

September 2017

Leechpool is a good school because

Parents feel that their children thrive. They have every confidence that their children are well cared for, safe and happy.

Leaders and governors are passionate about the care, welfare and education of every pupil who attends the school.

The curriculum is extremely well planned to motivate and engage the pupils, and broaden their horizons and ambitions.

Dear Families, Pupils and Governors

It gives us great pleasure to attach a copy of Leechpool Primary School's Ofsted Inspection Report 2017. This was written by the Ofsted Inspectors, following their visit to Leechpool on 18 and 19 July.

We are delighted with the outcomes of the inspection, particularly in light of all our hard work since the last inspection in 2015 and that we had an inspection on the final week of the school year!

We are particularly pleased that Personal development, behaviour and welfare were judged to be Outstanding.

The two areas identified for improvement by the inspectors were already identified by the school, in our self-evaluation and we will continue to work hard to accelerate the progress of our writing and work with our middle leaders to analyse the impact of their good work, to identify key strategies for further development.

The school's Ofsted Inspection Report gives us a great platform on which to build and take the school further forward, over the coming years.

We would like to thank all parents and carers who continue to support the dedicated, hard work of all teachers, support staff and governors – making Leechpool a unique and special place of learning. We look forward to continue to serve the Leechpool community and maintaining our strong focus on providing all our pupils with the very best education for life, so that they can be the best they can be.....

If you have any questions about the Ofsted Inspection Report please feel free to make an appointment with the School Office to arrange a convenient time.

With best wishes

Nicola Davenport
