PSHE Running throughout via Thrive input

- communicate feelings, recognise how others show feelings and how to respond
- recognise how behaviour affects other people
- recognise what is fair and unfair, kind and unkind, right and wrong
- share opinions on things that matter and explain views through discussions with one other person and the whole class
- listen to other people, play and work cooperatively (including strategies to resolve simple arguments through negotiation)
- offer constructive support and feedback to others
- good and not so good feelings, vocabulary to describe feelings to others and simple strategies for managing feelings
- recognise what they like and dislike, how to make real, informed choices that improve physical and emotional health, recognise that choices have good and not so good consequences
- to think about themselves, to learn from their experiences, to recognise and celebrate their strengths and set simple but challenging goals
