<u>Year A</u>	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Discrete PSHE	<p>Communication weeks</p> <ul style="list-style-type: none"> • about change, including transitions (Key Stages /schools), loss, separation, divorce, bereavement • importance of protecting personal information, passwords, addresses and images • people who are responsible for helping them stay healthy and safe and ways that they can help these people • to work collaboratively towards shared goals • there are different kinds of responsibilities, rights and duties at home, at school, in the community and towards the environment • school rules about health and safety, basic 	<p>Anti-bullying week</p> <ul style="list-style-type: none"> • recognise increasing independence brings increased responsibility to keep themselves and others safe • pressure to behave in an unacceptable, unhealthy or risky way comes from a variety of sources, including people they know and media • recognise when and how to ask for help, use basic techniques for resisting pressure to do something dangerous, unhealthy, that makes them uncomfortable, anxious or that they believe to be wrong • importance of protecting personal information, 	<ul style="list-style-type: none"> • what positively and negatively affects their physical, mental and emotional health (including the media) • strategies for keeping physically and emotionally safe eg road safety, e-safety • differentiate between terms, 'risk', 'danger' and 'hazard' • deepen understanding of risk by recognising, predicting and assessing risks in different situations and deciding how to manage them responsibly (eg sensible road use, risks in their local environment), use this as an opportunity to build resilience 	Continued from term 3	<p>SRE –</p> <ul style="list-style-type: none"> • recognise they may experience conflicting emotions and when they might need to listen to emotions or overcome them • how to make informed choices (including recognising choices can have positive, neutral and negative consequences) • how their body changes as they approach and move through puberty • recognise how images in the media do not always reflect reality and can affect how people feel about themselves • about human reproduction • recognise and challenge stereotypes 	<p>Transition –</p> <ul style="list-style-type: none"> • about change, including transitions (Key Stages /schools), loss, separation, divorce, bereavement • pressure to behave in an unacceptable, unhealthy or risky way comes from a variety of sources, including people they know and media • recognise when and how to ask for help, use basic techniques for resisting pressure to do something dangerous, unhealthy, that makes them uncomfortable, anxious or that they believe to be wrong

	<p>emergency aid procedures, where and how to get help</p>	<p>passwords, addresses and images</p> <ul style="list-style-type: none"> • people who are responsible for helping them stay healthy and safe and ways that they can help these people • differences and similarities arise from factors, including family, cultural, ethnic, racial and religious diversity, age, sex, gender identity, sexual orientation, and disability • recognise and challenge stereotypes • realise consequences of anti-social and aggressive behaviours eg bullying, discrimination on individuals and communities • to recognise and manage 'dares' 			<ul style="list-style-type: none"> • recognise what constitutes a positive, healthy relationship and develop skills to form and maintain these • recognise ways in which a relationship can be unhealthy and who to talk to if they need support. • be aware of different types of relationship, including friends and families, civil partnerships, marriage • that actions affect themselves and others • judge what kind of physical contact is acceptable or unacceptable and how to respond • concept of 'keeping something confidential or secret', when we should or should not agree to this and when it is right to 'break a confidence' or 'share a secret' 	
--	--	---	--	--	---	--

PSHE Running throughout via Thrive input

- how to make informed choices (including recognising choices can have positive, neutral and negative consequences)
- deepen understanding of good and not so good feelings, extend vocabulary to enable them to explain the range and intensity of feelings to others

- recognise they may experience conflicting emotions and when they might need to listen to emotions or overcome them
- to recognize and respond appropriately to a wider range of feelings in others
- to listen and respond respectfully to a wide range of people, to feel confident to raise their own concerns, to recognise and care about other people's feelings and to try to see, respect and if necessary constructively challenge their points of view
- to develop strategies to resolve disputes and conflict through negotiation and appropriate compromise and to give rich and constructive feedback and support to benefit others as well as themselves
- to resolve differences by looking at alternatives, seeing and respecting others' points of view, making decisions and explaining choices
- recognise and challenge stereotypes
- to reflect on and celebrate their achievements, identify their strengths, areas for improvement, set high aspirations and goals
