

Years 3 and 4 - High Frequency Words

- These are the first 100 high frequency words your child needs to learn to read over the term.
- Firstly we would like you to help your child to learn the first 10 in column 1.
- They will be tested weekly in a verbal manner with their teacher and will be expected to read them without any errors.
- Once they know how to say the word correctly teacher will highlight them on the sheet for you to see which will be stuck into their homework books.
- Then please encourage your child to learn the next 10 (which should include those words not yet highlighted).
- It is important your child knows how to read these words correctly as they aid writing.

Thank you for your support
