

Spring Term Menu

2021

Our mission is to provide each of our schools with a unique dining experience that is innovative, aspirational, quality assured and excellent value for money.

We can assure you that our ingredients are responsibly, and where possible locally sourced. No ifs, no buts, our menu ingredients are all freshly prepared at your school.

Our vision is to provide amazing and nutritious food where we take fresh raw ingredients and create healthy meals.

The results speak for themselves; access to hearty, wholesome and healthy food every school day.

Please be assured that we will return to the normal menu and dining service as soon as guidelines allow

we will be constantly monitoring and changing the menus accordingly.

We hope it won't be too long before your child can have full access to the wider healthy nutritional menu we would normally provide along with the wonderful 'help yourself' salad bar.
