'Love your neighbour as yourself.'
Luke 10:27

September 2019

Dear Parents/Carers,

Welcome back. I hope you have all had an enjoyable summer. The children were keen to tell me about their adventures in assembly. Some of the children shared that they had visited the art exhibition at the Williamson Art Gallery while some of the younger children claimed they had travelled by rocket as part of their travels! This week it has been fantastic to see all of the children return to school, as well as welcome a number of new children to school, both in reception and across the school. Hopefully they have told you about their new class, friends and some of their learning. The school garden continues to produce crops of delicious vegetables and many of the classes have visited to harvest these or check on the growing. It has been a good first week.

Tour of Britain information and update

For clarification regarding road closures during next week's cycling event. Looking at the details, it looks as if the cyclists will pass through West Kirby early afternoon (1.50pm-2.30pm).

Please see the information sent to school below:

Between 11:00am and 4:00pm Wednesday 11 September 2019 a number of roads will be closed under a rolling road block for approximately 45 minutes during this time period to ensure the safe passage of the Tour of Britain race. Estimated timings for a number of locations along the route can be found via the link below. This includes timings for different race speeds on the day. Road closures will come into effect approximately 15 minutes before the lead riders.

Stage 5 timetable:

<https://www.tourofbritain.co.uk/stage-five-timetable/>

Where possible access will be maintained for residents and businesses and roads will be re-opened once the last event vehicle passes a given point.

Break time snacks for KS2 children

Children in KS1 have snacks provided by the local authority each day in school. This scheme does not continue in KS2. Previously, we have run a tuck shop but the increasing cost of the small snacks and the overuse of plastic packaging has meant that I would now like all KS2 children to bring a piece of fruit or veg for break time snacks.

Letters of thanks

- The Wirral Play Council have written to the school to express their appreciation and support we gave in raising funds for them. We raised just under £400 which was gratefully received.
- We have also received a letter of thanks for supporting the St. Bridget's Parish Summer Fair. The day went well and raised nearly £4000 for the parish.

Key Dates for 2019-20

Curriculum Evenings for:

EYFS - Thursday 12th September 6pm-6.45pm

Year 1 and 2 – Wednesday 18th September 6pm- 6.30pm
