Autumn Term Issue 4

Dear Parent/Carer

I hope you all managed to meet your child's class teacher this week. If you did not manage to please contact the school secretary or the class teacher to arrange an appointment that is convenient for yourself. Your input and support is invaluable to us.

We have recently added an 'Application for Absence' form on the school website under the PARENT section. If you wish to take your child out of school for any reason during term time, we will require you to complete one of these forms. Paper copies are also available from the school secretary.

I must point out that as directed by the school's EWO (Educational Welfare Officer) we are not permitted to authorise any holiday requests that occur during term time. Children are required to attend at least 96% of the school year to be in line with national average. We do appreciate that on occasion, there may well be exceptional circumstances that we will of course take into consideration and we will deal with these applications individually and sensitively - liaising with yourselves where appropriate.

Thank you for your support and understanding.

Have a lovely weekend.  
K Walsh, Head Teacher

## Governor's Corner

Being a member of the Governing Body is an interesting role. You gain a real insight of the school and are able to discuss and impact on its future development.

We have a vacancy for a governor and are looking in particular for an individual with business, financial, legal or commercial skills to join us. If you are interested, or know anybody who would be interested in joining us, please contact me via the school office to arrange a meeting. The Governing Body is a team of individuals who are committed to achieving the best education for your children. We feel privileged to be involved in

the strategic decisions taken to further improve the school.

This is an exciting time to be involved as the school moves forward under new leadership and becomes more involved with working with the nine schools within the Crofty Multi Academy Trust.

Being a governor involves attending two full Governing Body meetings a term and taking responsibility for monitoring an aspect of the school. Training and support is given.

Barbara McGuire, Chair of Governors

## Non Uniform Day - Friday 28th September

Merci beaucoup, ευχαριστώ, grazie, gracias, obrigado.

We enjoyed a super afternoon last Friday.

The children were transported to many different countries around the world. They were immersed in music, culture and fun throughout the afternoon. The children also had the opportunity to taste and enjoy authentic food. A huge thank you for all the food donations, they were very much appreciated.

### Redruth Skate Park Proposal

Redruth Town Councillors are working with the local community to provide a large skatepark for everyone in the Camborne, Pool, Redruth and Illogan areas.

The plans are in for the full planning permission. We are having a launch for a community fund raising group and strategy at Mount Hawke Skatepark on Wednesday 10<sup>th</sup> October, 7pm onwards and all parents (and their children- scooters, skateboards, BWM, inline, roller skaters) are invited. As an incentive, the manager at Mount Hawke is prepared to offer a half price skatepark entry fee to anyone that attends.

Notice: Lanner School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.
