Summer Term Issue 3

Dear Parents and Carers

We've had a bit of a sporting focus to our term so far with lots of sporting certificates, trophies and achievements being celebrated in school as well as those from home. It really is fantastic to share in the children's out of school activities. This week we've had achievements in pony riding, Karate, football, hiking, gymnastics and running. Last Friday afternoon, some of our Y5 and Y6 children took part in a gymnastics competition at West Coast Academy with other children from the Crofty MAT. The gymnastics coach and staff from other schools commented on the excellent sporting attitude and behaviour of our Lanner children, which is always lovely to hear. Thank you to the children who took part and to Mrs Radley who accompanied them.

Attendance Cup

The attendance cup was awarded to Year 1 this week for their attendance.

FOLS Meeting

Our next FOLS meeting will take place on Tuesday 15th May at 2.45pm. All new members welcome!

Health and Safety

Please keep a close eye on your children in the mornings while waiting to go into class. Some of the children have been seen running around at the top of the infant yard slope and hiding behind the shed, this is not a safe area for children to be in.

We regularly have grass cutters on our premises, riding along on their mower - please make sure your children do not chase the machine. This is dangerous!

Open Days

The Early Help Hub (EHH) invites you to attend an open day.

Ever wondered what the EHH does? Or how it works? Now is your chance to find out!

On our open day you will be provided with a full briefing about the EHH, including how to submit a good request for help and the services that can be referred to via the EHH.

You will have an opportunity to meet both the EHH and MARU (multi agency referral unit) team members and sit with the contact workers and managers in order to gain an understanding of the processes that take place prior to a referral reaching its final destination.

We would like to invite all professionals and volunteer agencies that work with children, young people and their families. You will therefore have a good opportunity to network with other professionals during your visit.

Open day dates:
