Spring Term Issue 08

Dear Parent/Carers

It has been a great first week back. We are so pleased to be up and running and the children have settled in fantastically. Monday was a very exciting day, as many of you will have seen, with BBC Spotlight visiting us and sharing our wonderful book day, as well as documenting our reopening.

It now almost feels like we have never been away - the children are back into their routines, the classes are full of learning and laughter and there is a lovely buzz around the school. Long may it continue.

COVID19 UPDATE: What seems to be the normal now, I have no updates for you this week. Staff continue to test, children continue to operate in bubbles and we continue to monitor the news and follow government guidelines.

Other news: School uniform and PE days. Please can you continue to send your child into school in their PE kits on their relevant PE days. We will continue with this for the foreseeable future, as it eliminates the need for parents to collect PE kits at the end of every half term, as well as making more time for learning to take place i.e. no time wasted getting changed into their PE kits. This has proven very popular with parents and teachers - so we are more than happy to continue with it. Over the next few weeks, I will send out a letter regarding PE kit, to ensure it is still in line with our PE policy - but now is not the time to be putting these sorts of pressures on families. With regards to school uniform - I am really pleased to see all children are pretty much there with regards to wearing their full uniforms. Shoes or trainers are fine for the next few weeks too as we fully appreciate shops are still closed.

Finally, a big thank you to all of you who have sent kind messages to ourselves for the support over lockdown. It really was our pleasure, and we would like to thank yourselves for an amazing effort. Early signs are that home learning was a huge success and that we will be back on track in no time at all. Well done to everyone - a great team effort by all.

Have a fantastic weekend and we look forward to next week.

Kind regards
Kieran Walsh

Year 6 - Redruth School Transition days.

We have begun to plan the current Y6 student transition to Redruth School and hope that we will be able to hold our traditional transition days on the 29th & 30th of June this year.

Should Redruth School need to amend these days for any reason we will be in contact.

Red Nose Day - Friday 19th March.

As we wear red - we have decided to stick to wearing normal school uniforms. However, please can children come to school equipped with a joke. Jokes will be shared and read out in class, the top selection of jokes will be shared with the whole school in our celebration assembly and posted on the weekly newsletter. Donations of 50p to £1.00 per child would be greatly appreciated.
