Summer Term Issue 9

Dear Parents and Carers

We've had a fantastic week learning about being healthy and taking part in a range of sporting activities, including Zumba, hockey, cricket, dance and rugby amongst others. We want to say a huge 'thank you' to all of the staff who led the sporting activities as well as sportspeople who visited from outside of school, but particularly to Miss Steele who has spent weeks arranging the different activities for the children. The children have really enjoyed the week and should sleep well tonight!

Governors' Corner

Last week I visited the Early Years and spent a really enjoyable time with the children who were eager to show me what they were doing.

Two children, who were busy drawing, read all the phonics displayed on the wall and told me proudly which books they were reading.

The class had been listening to "Handa's Surprise" and some children were trying to walk an obstacle course balancing a container of fruit on their heads. Others were sailing boats down a long piece of piping. I was impressed by how polite and well behaved all the children were. They seemed to be enjoying themselves and making friends.

At this time of year we are all looking forward to our holidays. There is a committee of governors who meet to consider requests for absences. If you are planning to take your children out of school during term time, please submit your request in writing to the Head Teacher for consideration. Ideally this needs to be completed at least a month before required so that there is time for the governors to meet. Please note that, due to the impact on the pupil and the class, it is normally only in exceptional circumstances that leave is authorised.
