Summer Term Issue 4

Dear Parent/Carer

We have had another great week here at Lanner. The buzz around the school this week has been wonderful. Year 2 and Year 6 displayed a wonderful attitude to their SATs papers, showing resilience, determination and grit. Well done to all of them - their learning powers and great attitudes towards their learning really paid off. I have been lucky enough this week to get out on the playground during lunchtimes. This is something I always try and do regularly, however it is not always possible. We were blessed with some lovely sunshine and I was really impressed with how lovely the children interact and play with each other. I was particularly impressed to see the older children helping out and playing with the younger children in KS1. I know how important these young role models are and if you are a parent of a 'junior play leader' you should be incredibly proud. Over the coming months we will be investing in some new outdoor play areas for the children which will hopefully give them even more of an enjoyable experience at lunch and break times. I will update you of the finer details as and when I have an exact schedule of works.

I hope you all have a lovely weekend.

Kieran Walsh
