Autumn Term Issue 14

Dear Parents and Carers

It was lovely to see so many of you at our Advent Fayre last Friday. **Together, you've all helped to raise an astonishing £935 for the FOLS funds!**

We are absolutely delighted to have raised such an amazing amount which will be used to benefit the children in school. Thank you to everyone involved but particularly to Miss Leah for her fantastic organisation which helped to make the Fayre a really enjoyable event.

As a school, we are currently looking at developing our values and vision for the children. Attached is a form which shows a range of different attributes that we think are important for Lanner children to develop during their time with us. In school, staff and children are deciding which attributes they think are most important and are choosing their 'top 5'. I would like to invite you to share your views by completing the attached form and return it to school. Paper copies will also be sent home with the children. Thank you to those parents who kindly completed this at the Advent Fayre.

Finally, this evening, we will be celebrating the Lanner Lights Switch on with a parade through the village to the square before the big event. The art club children will be carrying their lanterns but all children are invited to bring their cup lantern, which they will have made in school, and join the procession. We will be meeting at school at 6.15. Please remember to bring your lantern and a battery tea light will be provided before we set off at 6.30. I hope to see you there!

Christmas lunch will be on Wednesday 13th - all children to wear their Christmas jumpers with their school uniform.

IMPORTANT - LOLLIPOP CROSSING

We had an incident in the week where a car drove past the lollipop man when he was standing in the road. This was a particularly dangerous move on the driver's part, as a child was just about to step off the pavement to cross. Can all parents/grandparents make sure to stop when indicated to do so!
