Spring Term Issue 6

Dear Parent/Carer

It is hard to believe yet another half term has whizzed by. The children have been amazing this half term and they are going from strength to strength. Their behaviour and attitude to learning is super.

I would like to take this opportunity to thank the staff here at Lanner. Teachers and support staff - I have been so impressed with them so far this year and it is an honour to work alongside such dedicated and committed professionals. A special thank you to Mrs Pulley, and her helpers this week, who has been working tirelessly to get Accelerated Reader up and running. She has had some very late evenings as well as some long weekends getting all the books ready and labelled. Thank you. In addition - our library is once again beginning to look like a library again. Hopefully this will be a special learning place for our children.

I hope you all have an amazing half term. Fingers crossed for some more sunshine.

Kind regards, Kieran Walsh

Netball Tournament

On Wednesday 13 February, ten talented players from our school netball club competed in a netball festival at Redruth School. They played three games and started strong, winning the first game 2-0. Lanner School showed excellent skill and team work and had great sportsmanship towards the other teams. They should be very proud of their achievement.

Notice: Lanner School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

A Message from Lanner Parish Council

Residents are strongly encouraged to turn out on Thursday 21 February to vote in the Referendum for the Lanner Neighbourhood Development Plan.

Voting will be at the Village Hall. The Referendum is the culmination of two years of consultation and discussion throughout the community and deserves support. It sets out how we, as a community, want to see development take place between now and 2030. By law, it will have to be given full weight in any and all planning decisions affecting the parish. Without it, development will be determined only by reference to the Cornwall Local Plan and the National Planning Policy Framework: which would create a situation where we might well see development where it is neither wanted nor needed.

Full details of the plan can be found at: <https://www.lanner.org.uk/category/neighbourhood-plan/> and paper copies of the full plan are at Lanner Surgery, Redruth Library and the Parish Council Office at the Village Hall.

So please make every effort to turn out and place your vote. Lanner's future is very much in your hands.

Many thanks for your help and support.
