Spring Term Issue 9

Dear Parent/Carer

Update on Coronavirus: We continue to monitor daily government and health advice regarding the containment of this virus. Some precautions we have taken thus far are: The increased importance of regular hand washing; hand sanitizer as you enter and exit the main reception and a more detailed focus for specific areas by our cleaning staff. In addition to this we are preparing resources for the children to do some home learning should we ever have to shut the school (see separate letters sent out today). Please note this is just a precaution at the moment but we'd rather be prepared for every eventuality.

You may also notice that we will not be inviting parents into the school for our curriculum morning sessions this half term. We are also cancelling our Easter Chocolate Bingo. Again, this is just a precautionary measure to limit the activity in and out of our classrooms. I hope you understand the reasons behind these decisions but as always, if ever you wish to discuss this or anything, please do not hesitate to contact me.

On a completely different note, which might sound funny after reading the above paragraph, it's normal business as usual here at Lanner. Lots of fun learning, some amazing achievements from our children and the 'feel good' factor and buzz around learning continues to flourish. So on that note, I wish you a happy weekend and look forward to seeing you all next week.

Kind regards
Kieran Walsh

Choir Corner

This week was the second week of choir practice. We started with a warm up and practised scales and triads before singing our favourite songs from the spring collection. I was very impressed with the children's ability to remember the lyrics from last week.

I look forward to seeing you all next week.
Miss May.
