Autumn Term Issue 06

Dear Parents and Carers

I hope you are all well and safe.

We have revamped our weekly newsletter a little as we felt it was looking a little tired. I hope it finds you well and that we can continue to update you with news and celebrations surrounding the amazing children.

COVID 19: We still continue to see isolated cases within year groups and continue to operate cautiously and carefully within school. We have received no new updates or guidance this week so I have no further information to share with you at this time.

Parent Evening: If you have not yet had your parent consultation meeting, please can you contact your child's class teacher at your earliest convenience. We will gladly accommodate you and give you a new appointment, or feedback to you via a phone call if you prefer. Communication between school and home is a vital ingredient to a successful school life, and we are fully committed to keeping these channels of communication open, despite all the challenges that Covid is continuing to offer. The general feedback from yourselves and staff re the new 'SchoolCloud' has been overwhelmingly positive. There have definitely been isolated incidents and issues, as expected with anything IT based, but we will get these resolved asap.

I really look forward to the day that we can open the doors up to you all again. Please take my word that there is an incredible energy at the moment in school, with a feeling of purposefulness, calmness and of course happiness vibrating around the building - I wish you could all see it.

Other News: You will notice a 'Word of the Week' on our newsletter and hopefully our Facebook page. The words that feature will be taken from our planned vocabulary list and we hope that you can share and practice these words as much as possible with your child. This type of 'drip feed' learning is incredibly effective and anything that you can reinforce at home will only ever add to our ambition to equip children with a vocabulary rich diet. As always, your support and input is greatly appreciated by all of us.

I hope the sun shines on you all and that you have a lovely weekend.

Kind regards
Kieran Walsh
