Friday 8th June 2018
Summer Term Issue 7

Despite being only a short week, a lot of exciting learning has taken place. On Wednesday, Y5 enjoyed a trip to Truro Museum to begin their topic on the Egyptians. Also on Wednesday, Y6 made their way to London to explore the Natural History Museum, the Houses of Parliament, watch 'The Lion King' in the theatre and visit Legoland! It's a busy final half term, so please ensure you look at all our important dates published this week.

Finally, I would like to launch a 'whole school' homework competition. The homework will be based on 'flight and flying'. Children may choose to create a model rocket, a working kite, a painting of a beautiful bird or a PowerPoint about aeroplanes... just use your imagination! Mrs Pulley and I will judge the entries on Friday 15th June and two winners will get the chance to take part in a 'Rocket Building Workshop' at Rosemellin School, working alongside children from other schools in our Crofty MAT.
Claire Merrifield
