Spring Term Issue 6

Dear Parents and Carers

It's good to see everyone back safely after the half-term holiday - we hope you enjoyed the break!

It has been a busy first week back. On Tuesday we had three head teachers from other schools in the Crofty MAT visiting us as part of the Head's Improvement Project, which all schools in the MAT take part in. The key focus for this term was on teaching and learning and they observed lots of good teaching and learning in lessons as well as the evidence of children's learning in books. Our visiting head teachers also commented on improvements made to the learning environment in the classrooms, the excellent behaviour of the children in class and the positive changes to the school culture.

Today the EYFS children arrived dressed in their magnificent costumes for their castle party - they had a lovely time dressed as knights or royalty for the day! It was a fantastic way to celebrate the learning that has taken place in EYFS this term. Next week is our school reading week - please see the letter regarding this. It would be fantastic if everyone could make an extra-special effort to get started on the class reading rewards. Take some time this weekend to find a brilliant book to get started on!

Castle Day

FSU had a castle day on Thursday 22nd February and the children came in to school dressed as Princesses, Princes and Knights. They enjoyed their fun filled day, which included the Grand Ball.

READING WEEK 2018

Monday 26th February to Friday 2nd March will be READING WEEK at Lanner School when we are hoping to encourage our children to read more! During this week, each class will be involved in lots of exciting book related activities including talking to authors, creating book inspired door art and more.

CLASS READING REWARDS

To encourage our children to read regularly at home, we will be launching our CLASS READING REWARDS. Once every child in a class has read at home 25 times, there will be a reward for the whole class such as a DVD, a trip to the park, a wheels afternoon etc. To get off to a flying start, during READING WEEK children will also be able to earn a reward raffle ticket for every reading signature they get from home.

FAMILY QUOTES COMPETITION

To further involve parents and carers in READING WEEK we will be running a family book quotes competition. All you have to do is find which books a series of quotes come from to be entered into our prize draw. Children from the winning families will be able to choose a free book each from our book fair which arrives on Thursday 15th March.

DONATE A BOOK

Our school library is looking a bit sad at the moment and we would love to restock it with lovely books for our children to read. If you have any good quality and good condition children's books at home that you would like to donate, we would be very grateful. Or maybe you would like to buy us a copy of a favourite book from your childhood for our children to read.

WORLD BOOK DAY

This year we have decided not to dress up on World Book Day due to other extracurricular events happening on the same day. We will however dress up at a later date to celebrate the arrival of our book fair (more details later).
