Autumn Term Issue 13

Dear Parent/Carer

As you may well have noticed, repairs to our school roof have started this week. These are just temporary repairs for now as recent high winds and heavy downpours have seen some water ingress. The main work will start over the Easter holidays whereby we hope to start a bigger project that will see the entire roof before stripped and replaced. Please take extra care when walking near the scaffolding areas as there may well be additional slip or trip hazards.

On a much more interesting and exciting note I would like to say a massive WELL DONE to all the EYFS and KS1 children for their performances.

From having young children myself, I know how daunting and scary it can be to stand up in front of a crowd and sing, act, read or dance. The resilience and determination these children have displayed was incredible. A big thank you to all the staff who worked tirelessly over the past few months, making costumes, props, practicing performances and of course continuing to deliver lessons as normally as possible. Well done all involved.

I look forward to seeing as many of you as possible on Monday evening at the KS2 Christmas Carol service. On Wednesday, the children had a practice at the venue and it was wonderful. I can guarantee you will have a lovely evening, so please

do come along and join in.  
Have a great weekend all.

K Walsh
