Summer Term Issue 1

Dear Parent/Carer  
A very warm welcome back to you all.

As you are probably aware we have now started the refurbishments of the toilets in the school. At present the reception class toilets are being worked on. There is a schedule in place for all toilets to be completed by the end of the summer term. The work on the roof hit a snag on day 1 so work has stopped on this until the summer holidays. I will keep you posted with any updates. Please accept my apologies for any inconvenience you may experience with regards to parking and congestion at the front of the school.

I would like to thank everyone for the extra effort this year with regards to attendance. Our attendance data is looking better than this time last year which is great news. We still have work to do but thank you for your efforts and thank you for not taking your child out of school during term time. This is having a very positive impact on learning and whole school life.

I hope you all have a great weekend  
Kieran Walsh

### Defibrillator for our School

Schools are a significant part of everyday life and as a school that takes health and wellbeing seriously, we would really like to extend our first aid kit and purchase an essential life saving device, a defibrillator, to ensure that should anyone suffer from a cardiac arrest we have the equipment and skills to save a life.

Anyone of any age can suffer from a sudden cardiac arrest. Having a defibrillator on the premises may not just save the lives of the students and staff, but also parents, volunteers and residents within the local community.

On Saturday 8<sup>th</sup> June Zoe Kalber, Tracey Radley and Helen Staples will be running the Coast to Coast half marathon (13.1 miles) to help raise funds. The school children will also be taking part in a sponsored run with each Key stage running an appropriate distance (sponsorship forms to follow). These are just a few of the events that will be taking place.

The staff and governors of the school would really appreciate any contributions you can offer as a parent, guardian, or grandparent of a child in our school and hope you can get involved in our fundraising events too. If you would like to support our school please visit our Crowdfunding page and donate -
