Autumn Term Issue 13

Dear Parent/Carer

I would like to thank all the children in the school who have taken on additional roles in the school of late. We have school councillors, play time leaders as well as a host of other duties that the children are undertaking at the moment. In most of these instances the children have to apply for these roles, or be elected by their peers, thus learning some key life skills along the way. This all then adds to the sense of pride, community and belonging that is clearly visible here at Lanner School. So if your child comes home with a new badge or if they tell you about a new role they have, please join me in congratulating and thanking them. They are making a big difference to school life.

On a completely separate note - Just a quick reminder to please consent to the trip to Tehidy Woods on Wednesday 11th December. We will be unable to take your child along with us without your consent and I would hate for anyone to miss out on this opportunity. If you have any questions or concerns regarding this please let me know asap.

Have a great weekend
Kieran Walsh

Reading Ambassador

Recently, I advertised for a new role of KS2 Reading Ambassador in school. Children were asked to formally apply and include a parental or teacher reference. I was overwhelmed by the response I received! Thank you to everyone who applied (and their parents or carers)! It was fantastic to see so many children with a passion for reading. Unfortunately, I had the difficult job of selecting our reading ambassadors, which was not easy! However, I am delighted to announce that we have appointed Reading Ambassadors in Y3, 4, 5 and 6. They will be working within their own classes as well as across the school to help encourage a love of reading. They will carry out varied activities including helping to research and choose new
