Spring Term Issue 3

Dear Parent/Carer

Over the past few weeks the government has been releasing national league and performance tables for school. I am very pleased to note that Lanner ranked 14<sup>th</sup> out of the 252 schools in Cornwall, with regards to pupils achieving the expected standard in reading, writing and maths (combined at the end of KS2). This also places up in the top 20% of schools nationwide. I am always wary of using data alone to judge or measure schools, however I must say I am very proud of this statistic. It marks a great year and highlights the amazing efforts from teachers and teaching staff across the school. Not to mention yourselves and of course most importantly, the children. So, a big thank you from me to you and of course a huge well done to all the children and staff here at Lanner. Onwards and upwards we go.

Have a great weekend  
Kieran Walsh
