Summer Term Issue 5

Dear Parents and Carers

It seems quite unbelievable that we only have one week left of this term before the half-term break - the weeks have flown by! This week the Y6 children have taken their SATs, impressing the staff with their positive attitudes, hard work and focus during the assessments - well done Y6 and thank you to the parents and carers who have also worked hard to manage their worries and get them to school each day.

In terms of attendance generally, I know many children are keen to achieve their 100% attendance certificate at the end of term. Unfortunately, sometimes children are ill or may need to attend medical appointments. We appreciate that you try to make appointments outside of school hours whenever possible.

Unfortunately, if a child is at a medical appointment during the registration sessions at the beginning of the day or straight after lunch, although authorised, we are legally required to record it as an absence. For these reasons, we will also be awarding certificates at the end of term to children achieving 99% as well as 100% attendance.

Finally, today we need to say 'farewell' to Mr Anderson in Y2. The class will have a new teacher, Mrs Katy Williams, next week. Mr Anderson has been teaching the class on Thursdays and Fridays since January and will be greatly missed by staff and children. Thank you to Mr Anderson for all of his hard work with the school. We hope to see you again soon!

Attendance Cup

The attendance cup was awarded to Year 5 this week for their attendance.

Governors' Corner

The Governing Body have been very busy this term. Governors have visited the school and discussed standards and pupil progress in reading, mathematics and ICT with

subject leaders. They have also monitored safeguarding, assessment data and the curriculum.

Recently governors have met with the school improvement officer from the Crofty MAT and considered staffing for the next academic year, including the exciting prospect of a new Headteacher. Plans for the future involve visiting classes, attending school events and ensuring all aspects of school life are continually being reviewed and improved.

The Governing Body is always interested in the views and opinions of parents and carers. If you have any issues or concerns you would like to discuss please contact me via the school office.
