Spring Term Issue 11

Dear Parent/Carer

Hopefully your child has brought home their school report with them. I hope you find the changes we have made to previous reports useful. It is hoped that we have got the balance of attainment, effort, attitude to learning and enjoyment of school evenly balanced. You will find a comments slip accompanying your child's report - we would really appreciate any feedback you have. This can be regarding any of the above areas specific to your child or anything you would like to comment on at all. As previously stated, your feedback and support is vital to us. If there is anything you are concerned about on your child's report then please do not hesitate to contact your child's class teacher and arrange a time to sit down and discuss things further. We will be offering further opportunities this year for you to come in and look through your child's books and indeed watch them during lesson times (further information to follow). Whilst reading through the reports I was so impressed to see how the children are responding to the 'Learning Powers' and how the vast, vast majority are displaying a 'can do' attitude. It is our aim to produce life long learners here at Lanner and we are definitely moving in the right direction.

Have a great weekend, Kieran Walsh
