Autumn Term Issue 9

Dear Parent / Carer

Over the last couple of weeks, we have had several visitors coming in. They have all commented on the positive feel within the school as well as how polite and well-mannered your children are. It was also noted that the children were displaying a great attitude towards their learning - how they are growing in resilience as learners and how engaged they were in their lessons.

Some visiting head teachers spoke with a selection of children across the school to listen to what they had to say. I thought I would share the children's comments: "We like English and Reading; We love Science; We love PE but want to do even more of it; We enjoy the after school clubs; There is a lot of challenge in Maths lessons; The teachers make lessons and challenges fun; If we make a spelling mistake the teacher lets us know by writing sp in the margin; The teachers care about us; School is never boring; Any bullying always gets sorted out; We know how important it is to come to school."

It is always lovely - and vitally important - to get the children's perspective on school. The teaching staff and I were all very proud to receive this feedback from the children. We were particularly pleased to hear how articulate and confident they were too.

Well done to all the children involved.

I hope you have a great weekend.

Kieran Walsh
