Friday 17<sup>th</sup> September 2021  
Autumn Term Issue 02

Dear Parent/Carer

I hope you are well and safe. It has been another exciting week of learning at school and the children are well and truly settled in. I find it staggering to think that the children, who have had such a disruptive two years, have bounced back so well.

COVID: As mentioned previously, we are still taking tentative steps with regards to relaxing measures. Children are mixing outside and in the school hall for lunches, however we are still trying our hardest to limit any contact or mixture of bubbles. If you are in any doubt as to the procedures to take if you or your child test positive for Covid, then please do not hesitate to contact the school - I will give you my full attention. The letter that was sent out last week contains a flow chart, documenting who has to self isolate, and who does not. This can be found on the school website under the PARENT section. However, please do call if in any doubt, or if you have any questions or concerns.

Other updates: Attendance. As a MAT, our attendance policy is being updated and amended. Taking Covid out of the equation, there is a national expectation that children attend school 97% of the time or above. This ensures the best possible chances and outcomes for them, and there are lots of very interesting studies and research that highlight the dip in performance and outcomes in relation to poor attendance. I will try and share these with you at a later date. As mentioned though, Covid is of course impacting attendance quite significantly for some families, and please be rest assured you will not be penalized for this.

That is all from me this week. I hope you have a wonderful weekend.

I hope you all have a lovely weekend.

Kieran Walsh

## Lannergrams

Well done to everyone who received a

Lannergram this week:

Y1: George, Henry M, Kiara

Y2: Tilly, Arlo, Harvey

Y3: Evelyn, Logan, Dylan

Y4: Siena, Charlie, Barney
